

ALAMANCE COUNTY MEALS ON WHEELS

Covid-19 Assistance

We received a grant that allows us to provide temporary service for seniors affected by the Coronavirus. This benefits seniors age 60 and older in Alamance County that are no longer leaving home as they usually would, due to Covid-19. If you or someone you know is in need of home delivered meals during this time, please give us a call at 336-228-8815.
